

CSB1

- n° 70184613923

The Clipper CSB1 is a floor saw either fully self-propelled, mechanically propelled or pushed. Powered by petrol or diesel motors, a 500mm diamond blade can reach a cutting depth of 195mm. A 40l water tank is integrated in the frame. The CSB1 is best suited to long, shallow depth-cutting operations.
